

Pelican Bay Women's League

September 2018

Greetings All!

It's nice to have the summer off, but towards the end of it, I get antsy and want to get back to the start of the new season, the routines of programs and events, and most of all, seeing our friends back here!

The first event of our new season will be our luncheon, on October 17, at the Bayside Grill in Venetian Village. You will be getting a separate flyer invitation for it soon, by email, giving you all the information you will need. Mary Burns, our 1st vice-president in charge of programs, together with 2nd vice-president, Norma Jean Broeman, in charge of the venues and menus, have planned this and all the ensuing luncheons, with the utmost care and attention to detail. Their goal (and mine) is to make sure you have this monthly opportunity to look spiffy, meet old friends and make new ones, have a nice lunch and be entertained. That's what our luncheons are for!

Mary also wants me to add a little head's up for a future event. She's planning a Derby Party in May, and in case you're planning your packing for the new season here, don't forget to pack a hat or fascinator for that event. It's a long way off, but please keep it in mind.

Have there been any changes in your life that you'd like us to know about? A great trip you've just taken; a new grandchild; a marriage - or even a death or divorce? If you'd like to share that information with the League, do let us know. We're here to support and celebrate the milestone events, the happy and the sad, of our members.

Don't forget to use our website pelicanbaywomensleague.org for information you need to participate in League activities.

See you soon!

Susan Woodall, President
