

Pelican Bay Women's League

October 2018

Greetings All,

Welcome to October!

This has got to be the best month, weather-wise, of the entire year, almost everywhere. Even here in Naples. For us, the League is just starting up a new season, which I'd like to tell you about.

For starters, our October Luncheon, which is on the 17th, sold out in record time. It brings up an issue I'd like to share with you about registering for our monthly luncheons: don't wait until the last minute!

Here's the deal: You can register online for the next month's luncheons as soon as you receive the flyer in your email announcing it. This flyer will be sent out in plenty of time for you to register online. ***But, please remember: registration closes one week before the event or whenever it is sold out, whichever comes first.*** So, you're best off registering for the luncheon as soon as you get the flyer in your email.

Here is a list of the dates and venues of our upcoming luncheons, which you may want to note on your calendars:

November 14, at Talis Park
December 12, at The Club, Pelican Bay
January 9, at T-Michael's in Venetian Village
February 6 at The Vineyards
March 13, at Kensington
April 18, at Audubon (this is a Thursday - all others are Wednesdays)
May 1, at Imperial

They will all be posted on our website: pelicanbaywomensleague.org, in a timely manner, and you will get separate invitations.

Here are some other upcoming events and dates you may want to note:

Back to the Beach: Monday, November 5, at Marker 36. You will receive a separate invitation for this first Special Event of the season, and you will be able to register online.

Welcome Back Coffee: Thursday, November 15, 9 - 11 am at the Community Center. This is the Big One you don't want to miss. No registration necessary.

I think this is enough news for this newsletter. I don't want to drown you with too much information. You can always go to our website for the meetings, times, and places of your favorite League activities.

Looking forward to seeing you soon,
Susan Woodall, President PBWL
