

Pelican Bay Women's League

December 2018

Greetings Dear League Members!

Here's some news you can use.

For December, our monthly luncheon will be held at The Club Pelican Bay on the 12th. There's still time to register and even to bring a guest. The Naples Players will be performing after our lunch and we're also going to have a special treat for you as well, since it's the holiday season!

January marks the start of our wonderful Speaker Series, "Women Making a Difference."

To kick it off, on Monday, January 7, Kathleen Van Bergen, CEO and President of Artis-Naples, will give us an update on the plans for the new campus and activities for the coming year. The Speaker Series takes place in the Community Center, Mondays, starting at 3:00 pm. Coffee, tea, water, and cookies are provided. All women who reside in Pelican Bay are invited. No registration necessary.

We're looking for a person to chair our Ambassador Program. If you like meeting people, are well-organized, and want to join a dedicated and welcoming group of women (the PBWL Board of Directors), please contact me.

Don't forget to register online
for our luncheons and special events:

pelicanbaywomensleague.org

To login, your PBWL registered name - lowercase, no spaces.
Our website contains all the information you need about Interest

Groups and more.

On a very sad note, the League expresses its deepest condolences to Cathy Stenza, our immediate past president, and her family, on the tragic loss of her son, Joseph, who died suddenly on November 5.

See you in December...

Susan Woodall, President
