

Pelican Bay Women's League

February 2019

Greetings, Ladies!

Welcome to February in Naples. Aren't you glad you're here and not in some blustery, wintery place? I am. In addition to some lovely weather here, the League has lots going on that I'd like to tell you about.

First off, the League has a new interim 1st Vice-President, Elaine Christian. Elaine has been in Pelican Bay for 18 years, so she is not a newcomer; she has lots of skills and experience, and she will be a great asset to me and to the whole organization.

Second, we have two new and wonderful Interest Groups. The first is Mindfulness, a group dedicated to practicing becoming completely aware of one's thoughts, emotions, or experiences on a moment-to-moment basis. This group meets bi-monthly. The Group Leader is Christine King.

A second and vitally important Group is our Tech Support Drop-In. It meets weekly, on Mondays from 10:30-11:30 upstairs at the Community Center. If you have any questions or need help with your cell phone, your tablet, or your computer, this is for you! Mary Ann Marks is our techie guru. Information on both of these groups can be found on the League's website.

The PBWL Mahjong Tournament will be held on Thursday, March 21 from 12:30-4:30 at the Community Center. There will be lunch, followed by the tournament, raffle and door prizes and cash prizes for the winners, all for an entry fee of \$35.

Contact Ilana Seligman at ilanaseligman@gmail.com for details.

Don't forget the League's Womens' Speaker Series, continuing every Monday at 3:00 at the Community Center now through the end of March. And, of course, the League's monthly luncheons, which are held now through May. Register online at our website pelicanbaywomensleague.org

Please note: PayPal will now process our event payments. Nothing else has changed. When you get to the payment portion of the event purchase, click on "Pay with a Debit or Credit Card." Continue to add your Debit or Credit card information as usual.

Looking forward to seeing you at our events and programs,

Susan Woodall, President, PBWL
