

Pelican Bay Women's League

March 2019

Greetings to All,

Looking to March and what's happening at the League, the word that comes to mind is "March Madness." No, we're not playing basketball here, but we do have a jam-packed month of events that, if you participated in each and every one, could lead to exhaustion. But I urge you to try, as they are all worthwhile and worthy of your energy.

Our signature series, the Womens' Speaker Series, is held every Monday at 3:00 at the Community Center. March 25th is the last one of the season until next year. So, there are 4 opportunities in March to gather, listen, and learn in a congenial setting, complete with complimentary beverages and treats.

Friday, March 8th, from 5 -7 is our annual Art Show opening Reception. It is held at the Community Center. Bring all your guests and enjoy wine, cheese, and beautiful art, created by your fellow Pelican Bay residents. The Show will continue throughout the weekend, ending at 4:00 on Sunday.

Wednesday, March 13 is our monthly luncheon, this time held at Kensington Country Club, and featuring the exceptional Irish singers, West of Galway. Later that same afternoon, at 4:00, at the Community Center, the League's own Songbirds will serenade you with their Friends and Family recital. This is another opportunity to see how some of your fellow Pelican Bay residents spend their time: singing up a storm! Come listen to them, and perhaps you'll want to join them. It's open to all women.

March 28 is our last presentation: Pastability, a special event held jointly with the League and Publix to demonstrate and taste some very creative and delicious things you can do with pasta. It will be held at the Community Center from 11 - 2. Sign up online at the League website: pelicanbaywomensleague.org

Oh - one more thing: time to renew your membership online. Dues are due April 1. Don't forget!

Best,
Susan Woodall, President, PBWL
