

Pelican Bay Women's League

April 2019

Greetings to All,

Welcome to April: a time of rebirth, renewal, and reflection.

Speaking of renewal - it's time to renew your membership in PBWL, so please go to our website right now and click under Events to renew your membership. You can also register for our April 18 luncheon at Audubon Country Club while you're at it. It is our Annual Meeting, and for entertainment, we're having the Fred Astaire Dancers to teach and inspire you. It should be a wonderful event!

It's hard to believe, but the April 2019 luncheon will mark my first year as President of the League. As I reflect back over the past year, at what the League has accomplished, I feel quite gratified. Our board, with its many hard-working members, has achieved the following successes:

- Reviewed and revised the By-Laws and Guidelines
- Introduced entertainment at our monthly luncheons
- Added 2 new Interest Groups: Mindfulness and Tech Support
- Almost 100% participation for online registration for membership and events
- Increased attendance at the Women's Speaker Series, luncheons and events

In the future, we hope to improve and streamline our website. It is 5 years old now, and in terms of technology, that's a long time.

Our webmaster, Blanche LeCausi, is retiring after many years of service. We are looking for someone to replace her. It's a big job. Speaking of retiring, another long-time board member, Joan Miller, in charge of Membership, is also retiring after many years of service. We are looking for someone to take her place. The League thanks both Blanche and Joan for their important contributions. They deserve a rest, but we will miss them.

On a very sad note, Kathy Cambria, leader of the Herbs and Gardens Interest Group, has passed away. Our condolences to her family.

Looking forward to seeing you at the April 18th Annual Meeting and Luncheon!
Susan Woodall, President
