

Pelican Bay Women's League

May 2019

Greetings to All,

This has been a rewarding year at the League. We have accomplished many things, including increased membership and outstanding and popular programs. We at the Board are continuing in our efforts to provide you, our members, more and better opportunities to meet other women, make new friends, and pursue interesting activities and programs.

Two of our long-time board members are retiring from their positions on the board: Blanche Le Causi, our Webmaster, and Joan Miller, our Membership Chair. They have served long and hard in their respective roles. We are extremely grateful for their many years of service, and we shall miss them.

In their stead, we have hired an Administrative Assistant, Alyson Lozano, to take over Blanche's and Joan's duties. Alyson is a 2018 graduate of Florida Gulf Coast University, with a Bachelor of Science degree, majoring in Resort and Hospitality Management. Alyson is a charming and resourceful young woman and she will be an asset to the League. She has critical skills in the software we use to maintain our database and communications, as well as an upbeat and energetic personality. One door closes; another door opens. Such is life.

Here are some early dates for you to mark on your calendars:

October 16, the PBWL luncheon at Bayside Grille in Venetian Village, complete with our ever-popular fashion show.

November 4: Back to the Beach at Marker 36

November 14, Welcome Back Coffee at the Community Center, 9-11 am.

All this information will be on our website: pelicanbaywomensleague.org, so check it out for any and all information you may require.

I wish you all a wonderful summer, whether it be traveling the country or the world, or just relaxing with your family and friends. Come back to us safe and sound in the fall, as our next season gets underway.

Best,
Susan Woodall, President, PBWL
