

# Pelican Bay Women's League

December 2019

Greetings All!

It's that time of year! To paraphrase Charles Dickens, "It's the best of times, and the worst of times..." We get caught up in the excitement, and stress, of seeing family and friends; of attending lots of social activities that come bunched together, but sometimes, we forget that some people don't have, or can't get connected to the family and friends that so many of us celebrate. I hope we can all be mindful to look out for and try to include those amongst us who are alone at this time of year, in our thoughts and in our plans.

Speaking of plans, the League has quite a few. Let's start with our December 11 Holiday Luncheon at Audubon Country Club. There's still time - but not much - to register online for this festive event. You can bring a guest, and be sure to wear red or whatever holiday attire makes you feel happy.

Just a head's up for January, 2020. You will get flyers on these events, but January is the League's time to focus on that phenomenal Broadway theater event: Hamilton. It's coming to Artis Naples as you probably know, and the League is going to provide you with opportunities to delve a little deeper into this incredible experience. In addition to our January luncheon, which will focus on the songs of Hamilton, we will have 2 separate events that month. The first will focus on Act 1 of Hamilton, and the second will focus on Act 2. Watch your email for details.

In the meantime, a heartfelt wish for a happy and rewarding holiday season.
