

## Pelican Bay Women's League

January 2020

Greetings All!

I'm writing this on New Year's Day, January 1, 2020, when it's customary to say Happy New Year! So, I am, and I mean it, but what I really want to say is Happy Birthday to 2020. Why? Because we want to try something new here at the League.

At our last December 11, 2019 luncheon, a friend of a guest told us about her guest's birthday, that very day. So, we recognized her birthday. She was thrilled. And so we thought: why not acknowledge any of our guests who might be having a birthday on one of our luncheon days? Or even, anyone having a birthday that month? We think birthdays are a time for celebrating. The more the merrier, in my opinion!

Thus, we've updated our Membership Registration page to include the month and day of your birth, if you want to include it. This is purely voluntary. For those of you who have already registered, if you want to add the month and day of your birthday, just contact the Help Desk, and let Tracy know, and she will update your registration.

Another useful piece of information about the League website: as you may know, we have one, universal password for our login information. Many of you forget what it is. If you forget the password, you can simply click on "forgot your password?" , underneath the login information, and set your own password, which you can then record privately in your own personal list of passwords. So, you don't have to be frustrated by not remembering the password to login. Just add your own!

January starts the heart of "season" here in Pelican Bay, when most of our residents and members are here. We have lots of activities, both old and some new, to keep you out and about, learning, meeting, having fun. For the full complement of them, please check the PBWL website, [pelicanbaywomensleague.org](http://pelicanbaywomensleague.org) under the tabs "Calendar," and "Interest Groups."

We have 2 new Interest Groups in the works: Cultural French, and Novice Bridge. You will receive a flyer on these new groups, with contact information.

**Monday, January 6** starts our acclaimed weekly **Womens' Speaker Series, at the Community Center at 3:00pm.** The kick-off speaker will be Anne Fleming, General Manager of the Waterside Shops. The entire series is listed on the League website.

**Wednesday, January 15** our monthly luncheon at **T. Michael's** in Venetian Village, will feature entertainment about Hamilton, the musical. **Registration deadline for the luncheon is Friday, January 10.** Additionally, the League will sponsor 2 separate presentations about Hamilton on January 16, (Act 1) and January 21 (Act 2). Again, you will receive flyers giving you specific information, and it's all on our website.

Lastly, **Thursday, January 23, is our Ambassador Welcome Coffee. It will be held at the Community Center at 11:00 am.** It is open to all current Ambassadors, and anyone who would like to become one in her own community, if that position is open. If you're not sure, please check with Geri Buranosky at [mgburanosky@gmail.com](mailto:mgburanosky@gmail.com)

I look forward to seeing you all in 2020 and making this the best year for the League, and for you!

Susan Woodall, President
