

# Pelican Bay Women's League

March 2020

Happy March to All of You!

Many of us will be having house guests this month. Besides taking them to the beach, playing tennis and golf, and going shopping, the League has activities and events you can engage with them.

Remember, our **Monday afternoon Speaker Series at 3:00pm**, is open to all women of Pelican Bay, including guests. (Not men guests, however.)

On **Friday, March 6, the Annual Art Show** gets underway with a lovely wine and cheese **Reception at the Community Center, from 5 - 7 pm**. Come see what your fellow artists have created for you and vote for your favorites! All are welcome, including men!

And now, back to our regular programming! The **March 18th luncheon at Cypress Woods Country Club**, is open only to you, dear Members, because of capacity restrictions. The Songbirds will be performing, and it should be a wonderful event. There's still time to register, until Friday, March 13, unless we fill up sooner. In that case, it will be noted on the registration page of our website.

I look forward to seeing you at our events, and meeting your friends and family, if they're here too.

Susan Woodall, President
